TRYON HOUNDS, INC.
RELEASE, WAIVER and INDEMNIFICATION AGREEMENT
NOTICE of APPLICABLE STATUTES, WARNINGS
Adopted August 18, 2023

Read this carefully. You participate at your own risk.

Participating in horseback riding, foxhunting, cross country recreational trail riding, competition and other equine activities, mounted, unmounted, in preparation to participate, or as a spectator ("Equine Activities") is EXTREMELY dangerous. It is my/my child's choice to participate in Equine Activities for personal benefit. In this Agreement, I /my child accept all of these risks, and agree to release and indemnify any Protected Party from any and all liability for accident or injury, including death, while participating in Equine Activities.

In exchange for permission to participate in Equine Activities and to use private property ("Property") while engaging in Equine Activities for personal benefit and enjoyment, I/my child acknowledge and agree that:

1. EQUINE ACTIVITIES ARE DANGEROUS. Equine Activities involve substantial inherent and other risks, including, without limitation, (i) the possibility of an equine behaving in dangerous ways which may result in injury, harm, or death to persons on or around them. (ii) the unpredictability of an equine's reaction to such things as sound, sudden movement, unfamiliar objects, persons or other animals (including the activities of Landowners), (iii) hazards of surface or subsurface, trail, trail-side, and adjoining area conditions, (iv) negligent conduct of other riders or uncontrolled horses, and (v) unsecured, dilapidated or unsafe jumps or obstacles due to natural conditions or neglect. I/my child understand and assume all risks involved in Equine Activities.
2. PROTECTED PARTIES ARE NOT RESPONSIBLE. Tryon Hounds, Inc. ("Tryon Hounds") CETA, FETA, Golden Hills of Fairview Homeowner's Association, Inc., Green Space of Fairview, LLC, NPA, NPA Property Owners, Slater Properties, Inc., and any Landowner or Lessee of Property (including their respective managers, members, shareholders, certificate holders, boards, officers, employees, agents and volunteers) ("Protected Party/Parties") shall not be responsible or legally liable for my/my child's presence on the Property or participation in Equine Activities. I/my child release and hold harmless each and every Protected Party from, and indemnify them against, any and all loss, damage or injury, including death, from any cause, including the negligence of any Protected Party.

INITIAL _____

3. LANDOWNERS ARE NOT RESPONSIBLE. I have paid no charge or fee to any Landowner for my/our recreational use of the Property. Any dues or fees paid to non-landowners are for benefits or services provided or event entrance fees.

4. PARENT or GUARDIAN RESPONSIBLE FOR CHILDREN. The Property, including any obstacles intended for jumping, is not an attractive nuisance and I am solely responsible for supervising my child's participating in Equine Activities. I will not permit my minor child to participate in Equine Activities without such supervision, instruction and experience, as I deem necessary for his/her safe participation.

5. MULTI USE PROPERTY AND HAZARDOUS CONDITIONS. Many other people may be using the Property for a variety of purposes. Horses and other livestock, wild animals, other riders, hikers, bikers, resident or roaming dogs, children, hunters, persons using power equipment, machinery and vehicles, trespassers and many other potential users and hazards are likely to be encountered on multi-use Property and may cause or contribute to accidents, injury, death, loss or damage while on the Property whether or not engaged in Equine Activities. Property conditions change constantly due to hazards caused by water, waterways, soil and subsurface conditions, trees, vegetation, animals and other natural or man-made causes, including neglect or negligent maintenance. The Property may be in remote locations difficult to find or inaccessible to emergency responders and may not have available cellular telephone service. I/my child accept and assume all risk of natural or man-made hazards or dangerous conditions while on the Property, release Protected Parties from such risks whether or not related to Equine Activity, and agree that no Protected Party is responsible for emergency assistance.

6. SKILL, EXPERIENCE AND PHYSICAL ABILITY AND INSURANCE. Participating in Equine Activities requires skill and experience. Different horses are suitable for different levels of riders and for participation in different Equine Activities. I understand the Protected Parties do not provide medical or hospitalization insurance, and that I/my child will be covered by personal insurance. I/my child assume the risk of accident, injury, death, sickness and disease (including communicable diseases), loss or damage resulting from rider inexperience and failure to control any horse. I certify that I/my child have no physical conditions or limitations which would prevent safe participation in Equine Activities. I/my child understand that the above-described risks are foreseeable, and agree to release and hold harmless Protected Parties even if they have actual knowledge of such risks and their acts or omissions are negligent. I hereby consent, direct and authorize Tryon Hounds and/or the Protected Parties to engage any emergency medical or veterinary care, including transportation, required for me/my child or horse(s), and hereby release and indemnify Tryon Hounds or assisting individual, and assume all associated risks and agree to pay all associated costs. INITIAL _____

7. SAFETY HELMETS AND EQUIPMENT. I/my child understand(s) that wearing proper headgear with a chinstrap as protection from serious head injury is a mandatory condition for riding with the Tryon Hounds and take full responsibility for compliance with this rule. I/my child further understand(s) that all Protected Parties require wearing a helmet that meets the standards of the SEI Certified ASTM Standard F 1163 Equestrian Helmet while mounted, and/or while working with a horse on the ground or otherwise participating in Equine Activities.

8. NOTICE OF LAWS LIMITING LIABILITY AND STATUTORY WARNINGS:

In addition to the release, waiver and indemnity provisions of this Agreement, I understand and agree that I/my child have been advised that the duty of care owed by a Landowner and I/my child's ability to recover damages from any Protected Party, are affected by the applicable State and Federal laws, and that the Protected Parties are relying on the limitation of liability provided by these statutes and this Agreement as a condition for use of the Property and participation in Equine Activities. For property in North Carolina, a Landowner's duty of care is generally limited to that owed to a trespasser (NC Statutes, Section 38A-4). For property in South Carolina, a Landowner generally owes no duty of care to keep the premises safe for entry or use by persons who have permission to use it for recreational purposes or to give any warning of a dangerous condition. I/MY CHILD PARTICIPATES IN EQUINE ACTIVITIES FOR PERSONAL BENEFIT AND ENJOYMENT, AND AGREE TO COMPLY WITH ALL RULES OF PARTICIPATION AND PROPERTY USE OF THE TRYON HOUNDS AND OF ALL "PROTECTED PARTIES" AND VENUES. Releasor agrees to reimburse and indemnify Protected Parties from any damages resulting from Releasor's negligence or failure to comply with this agreement, including subrogation or other actions by third parties.

Equestrian activities are extremely dangerous. Horses and their behavior are unpredictable, including their reaction to sound, movements, objects, persons, animals, machinery, natural or man-made conditions, trail footing, trail conditions, conduct of other riders, and behavior of other horses. While mounted or unmounted, a horse's behavior can result in injury, harm, or death to persons on or around them.

Dangers and conditions exist, which are an integral part of equestrian activities. Such dangers and conditions include but are not limited to: (a) the propensity of an equine to behave in ways that may result in injury, harm, or death to a person on or around an equine; (b) the unpredictability of an equine's reaction to sound, sudden movement, an unfamiliar object, a person, or another animal; (c) certain hazards such as surface or subsurface conditions; (d) collisions with other equines or objects; and (e) the potential of another rider to act in a negligent manner or failing to control his/her equine.

Trail conditions affect the risk of use for all activities on the trails. Protected Parties are not responsible for trail conditions, and conditions constantly change due to many causes, including natural and man-made causes as well as negligence and negligent maintenance. Natural and man-made hazards on, under, or around the trails may be encountered, including but not limited to power equipment, machinery, vehicles, holes, subsidence, unsafe jumps, fencing, fallen trees, branches, wild animals, livestock, horses, dogs, unsafe creek beds, water crossings, rocks, gullies, and mud.

Activities of other persons, including landowners, guests, trespassers, and other persons who are riding, cycling, walking, jogging, hiking, hunting, foxhunting, shooting guns, or otherwise on/near the trails may pose a hazard. Trails may not be marked and may be located in remote areas, which may impact cell phone and emergency services.

Releasor uses the trails with acknowledgment that hazards and dangerous conditions exist and are foreseeable. Releasor assumes all risks and agrees to release and hold harmless Protected Parties even if they have actual knowledge of such risks and their acts or omissions are negligent.

No charge or fee has been paid for Releasor's recreational or equine use of the trails.

Releasor, on behalf of his/her agents, representatives, dependents, next of kin, heirs, successors, and assigns, agrees to accept all risks associated with his/her use of the Golden Hills trails for equestrian and all other trail activities.

HELMET REQUIRED: Wearing an ASTM-approved and properly fitting helmet is mandatory while riding on the Golden Hills trails as protection from serious head injury, and Releasor assumes full responsibility for compliance with this rule. Protected Parties strongly recommend wearing a helmet while unmounted and working with a horse.

PARENTS RESPONSIBLE FOR CHILDREN: Parents are responsible for the supervision of any activity of their minor children on the trails. The trails, trail conditions, obstacles, jumps, or objects thereon are not attractive nuisances. Parents are responsible for providing appropriate supervision of their child's equestrian activities and shall not permit a child's participation in these activities without adequate adult supervision and instruction to ensure safe participation.

MEDICAL CARE, MEDICAL INSURANCE, and VETERINARY CARE: Protected Parties do not provide and are not responsible for any medical or hospitalization services, emergency calls, or medical insurance. Releasor warrants that he/she is covered by personal medical insurance. The costs of any medical care shall be the sole and exclusive responsibility of Releasor. Protected Parties do not provide and are not responsible for any veterinary care or related expenses.

TRAIL RULES: Releasor agrees to abide by the Golden Hills Trails Policy and Rules of Use and the Golden Hills Rules for the Greenspace Trails and Open Space/500 Acres (Green Zone). Every horseback riding Releasor shall provide a current, negative Coggins certificate pursuant to the Golden Hills Trail Rules.

STATUTORY LIMITATIONS ON LIABILITY AND WARNING: In addition to the release, waiver, and indemnity provisions of this Agreement, Releasor understands and agrees that the duty of care owed by a landowner and Releasor's ability to recover damages from Protected Parties are affected by the applicable State and Federal laws and that the Protected Parties are relying on the limitation of liability provided by these statutes and this Agreement as a condition for use of the Golden Hills trails and participation in equine activities. In South Carolina, a landowner generally owes no duty of care to keep the premises safe for entry or use by persons who have permission to use it for recreational purposes or to give any warning of a dangerous condition. (SC Code of Laws, Title 27, Ch. 3).

WARNING

Under South Carolina law, an equine activity sponsor or equine professional is not liable for an injury to or the death of a participant in an equine activity resulting from an inherent risk of equine activity, pursuant to Art. 7, Ch. 9 of Title 47, Code of Laws of South Carolina, 1976.
